# WELCOME

As someone who found their way into the arts through my local youth theatre as a teenager, I am incredibly passionate about high quality actor training being accessible to everyone from every background.

SYC is a brilliant programme of free actor training for young people in the region. As you will see from the performances in Shoot/Get Treasure/Repeat there is no shortage of talent in Chester and SYC is an important part of the talent development pipeline for the region. Storyhouse offer paid professional trainee actor roles in our home-produced work which are only open to graduates of SYC ensuring it is an excellent gateway into the industry.

## ABOUT SYC

Storyhouse Young Company (SYC) is a free training programme for 18-25 year olds designed to give young and aspiring actors the opportunity to work with leading professionals with a wealth of experience in the industry. Each summer Storyhouse auditions actors from SYC to perform with the Grosvenor Park Open Air Theatre company, many graduates of the course have gone on to train as professional actors. “ This play is such a gift for this type of project. The company will have the opportunity to experiment with different modes of storytelling and the play is at moments incredibly intimate and by turn hugely epic. I hope it is a catalyst for conversations and encourages us to consider our position in the world differently . ”
