# Your day

Every wedding should reflect the individuality of the couple planning it.

Do you dream of exchanging vows under the spotlights on a grand theatre stage; want to make your love story a blockbuster event in a boutique cinema; or looking for a chic and intimate bar with a Chester skyline view to make your own?

Choose from one of Storyhouse's **FIVE** unique ceremony spaces before dancing the night away in the Garret Bar and Theatre.

## *Garret Bar*

An elegant, intimate bar space in the glass and copper rooftop space atop Storyhouse.

Capacity: 50 guests

A bride and groom are captured in a romantic moment, dancing on a stage. The bride, seen from the back, wears a white dress with a large bow at the waist and a long veil. The groom stands to her right, holding her hand. The stage is illuminated by several bright blue spotlights, creating a dramatic atmosphere. Above them, strings of warm white lights are draped across the ceiling. The background is a dark, solid color, making the couple and the lights stand out.

## *Garret Theatre*

A flexible studio-style theatre with optional tiered seating during the ceremony.

Capacity: 145 guests

# *Cinema*

A cosy, boutique cinema space;  
a blend of retro charm and modern  
sophistication.

Capacity: 90 guests

A wide-angle photograph of a large, empty theatre. The stage is in the foreground, where two men in suits are shaking hands. The theatre has multiple tiers of red seats, and the ceiling is dark with recessed lighting. The overall atmosphere is formal and grand.

## *Storyhouse Theatre*

Storyhouse's grand, state-of-the-art main theatre, with two auditorium formations offering different experiences.

Capacity: 400 / 800 depending on the time of year
