Welcome from the CEO

Storyhouse is one of the UK's foremost cultural charities; its home in Chester incorporates a library, theatres, and a cinema. It is also an acclaimed theatre producer and runs the country's most successful regional open-air theatre in the city's Grosvenor Park, as well as the innovative Moonlight Flicks open-air cinema each year.

Storyhouse plays an important part of cultural life in Chester and continues to be a beacon of inspiration for many other cities and towns for the role it has played in social and economic regeneration, its successful and unique integration of world-class theatre, cinema, and library facilities, as well as its bold, exciting, diverse, and award-winning programming.

As a volunteer, you are a vital part of the Storyhouse community. We value the time, passion, and experience you bring, and we are committed to creating a welcoming, flexible, and supportive environment for everyone. We hope to help you fulfil your potential while enjoying a rewarding and enriching experience with us.

We hope you decide to join us,
Annabel

This House is Your House

We've become a vital part of the region's cultural landscape and a place of safety and support for the community - especially for young people, giving them a space where they can reimagine their place in the world.

Over 40 community groups use us as a base for creative activity each month, including LGBTQIA+ and disability groups, refugee integration activities, mental health support sessions, and groups combatting social exclusion by age.

We work extensively with young people and provide a range of different programmes, from youth theatre and our young company, to young leaders, young programmers, and our many schools and education programmes. Throughout our work we collaborate with local partners throughout to ensure we are reaching the people that would usually have the least opportunity to participate.

Across everything we do, we work to give people the power to build their own creative communities through inspiring stories and shared creative experiences: [this house is your house](#).

As we blend theatre, library, restaurant and cinema services, we share inspiring stories and stage creative events which empower people to nurture their creativity and bring together communities. Through our work, we hope to build a more connected, inclusive and creative community network.

The more open we are to the true and rich diversity of our communities, the more vividly we fulfil our purpose. More engagement from more of our communities will make more of Storyhouse.

We are committed to creating a team which is representative of our communities and to bringing together those with a variety of skills and experiences to help shape what we do and how we work.

Our Building

The original parts of Storyhouse were constructed as an art deco Odeon cinema in 1936, and have been restored, extended and renovated into a library, two state of the art theatres, a cinema, restaurant, and two bars.

The larger theatre is an 800-seat proscenium arch stage. With state-of-the-art facilities, its auditorium spreads across three tiers: stalls, circle and gallery. This same theatre converts into a 500-seat thrust stage (with the audience wrapping around three sides of the stage). In this format, the auditorium spreads across two tiers, with intimate seating putting the audience right in amongst the action.

On top of the building sits the Garret Theatre and Bar. This 150-seat black-box theatre is a flexible, fully-equipped performance, rehearsal, or workshop space. It is designed to be full of work made by local creative companies, individuals, and community groups, as well as a space we hire to companies and individuals.

The 100-seat boutique cinema is designed to honour the original Odeon's history as a cinema in 1936. With red velvet, soft, sunken seating, it is a beautiful event space.

The library spreads right through the building, with a dedicated family-friendly area (with wet play, storytelling room, and arts and crafts) in The Den and extensive book-stocks covering the walls throughout Storyhouse offering opportunities for studying, learning, and research.
