The Cinema seats are in a stepped configuration and can be accessed via the following:

Row A - 6 steps down

Row B - 5 steps down

Row C - 4 steps down

Row D - 3 steps down

Row E - 2 steps down

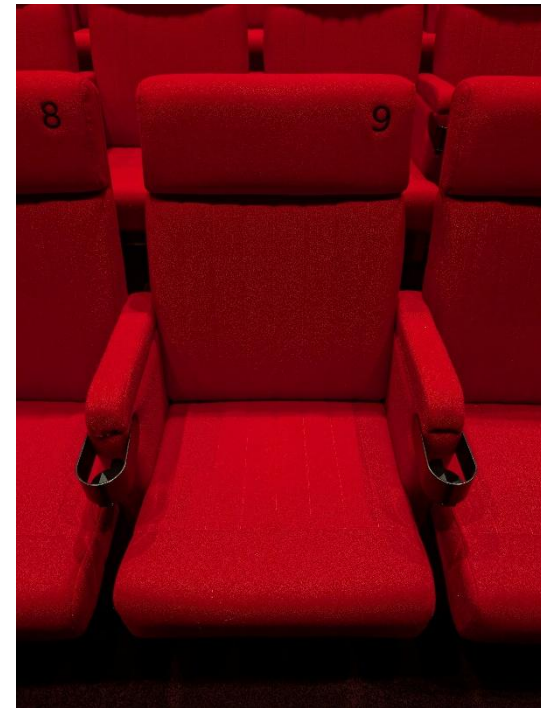

Row F - 1 step down

Row G - Flat level access from entrance
(location of 2 x wheelchair spaces)

SEATS

The picture on the right shows an example of what the seats look like within the cinema.

There are 92 seats in total and the dimensions of the seats are 535 mm Wide (between arms) and 480mm deep.

The picture on the left shows one of two wheelchair spaces in the cinema.

These are G0 and G16 on the seating plan.

These spaces are suitable for larger wheelchairs as well as standard sized ones.

Seats G1 and G15 are also suitable if you are transferring from your chair as these are on a flat level surface and at the end of the row.
