Welcome from the CEO

Storyhouse is one of the UK's foremost cultural charities; its home in Chester incorporates a library, theatres, and a cinema. It is also an acclaimed theatre producer and runs the country's most successful regional open-air theatre in the city's Grosvenor Park, as well as the innovative Moonlight Flicks open-air cinema each year.

Storyhouse plays an important part of cultural life in Chester and continues to be a beacon of inspiration for many other cities and towns for the role it has played in social and economic regeneration, its successful and unique integration of world-class theatre, cinema, and library facilities, as well as its bold, exciting, diverse, and award-winning programming.

It is also a great place to work. We offer a flexible and supportive working environment, value experience as well as skills and qualifications, and work to ensure everyone in the organisation is aware of our equality and diversity commitments. We want to support all staff to fulfil their potential and enjoy a happy and healthy workplace.

We hope you decide to join us,

Annabel

Annabel Turpin, Chief Executive

Our Story

Storyhouse is a creative community. As a diverse cultural organisation, our home is one of the country's most successful cultural buildings housing a cinema, theatres and a library. Last year we welcomed 850,000 people through our doors. We are both a community hub and combined arts producer.

Our library attracts international recognition, known for its seamless integration, and boasts the longest opening hours of any UK public library.

In 2024-25, we supported 6,289 young people to connect and create, ran 190 free rhyme-time sessions, created 423 magical performances indoors and outdoors, sold 187,916 theatre tickets and hosted a total of 1,618 cinema screenings.

Visits are roughly split into thirds between event attendances, library users, and wider participation. We enjoyed the support of over 17,600 volunteer hours and 1,328 different individuals were involved in making and supporting our work.

Grosvenor Park Open Air Theatre, which we founded in 2010, is the UK's largest regional open-air theatre, welcoming over 28,000 every summer.

This House is Your House

We've become vital part of the region's cultural landscape and a place of safety and support for the community - especially for young people, giving them a space where they can reimagine their place in the world.

Over 40 community groups use us as a base for creative activity each month, including LGBTQIA+ and disability groups, refugee integration activities, mental health support sessions, and groups combatting social exclusion by age.

We work extensively with young people and provide a range of different programmes, from youth theatre and our young company, to young leaders, young programmers, and our many schools and education programmes. Throughout our work we collaborate with local partners throughout to ensure we are reaching the people that would usually have the least opportunity to participate.

Across everything we do, we work to give people the power to build their own creative communities through inspiring stories and shared creative experiences: this house is your house.

As we blend theatre, library, restaurant and cinema services, we share inspiring stories and stage creative events which empower people to nurture their creativity and bring together communities. Through our work, we hope to build a more connected, inclusive and creative community network.

The more open we are to the true and rich diversity of our communities, the more vividly we fulfil our purpose. More engagement from more of our communities will make more of Storyhouse.

We are committed to creating a team which is representative of our communities and to bringing together those with a variety of skills and experiences to help shape what we do and how we work.

Our Strategy...

Storyhouse is about to enter an exciting new phase in our evolution as we look to develop our programmes, based on a new strategic plan, to deliver world class arts and meet community needs.

Our Vision:

Here at Storyhouse, culture is owned by everyone.

Our Mission:

We work every day to be a creative home for our communities.

Our Values:

LISTEN CLOSELY.

True empathy takes effort. So we work hard to understand different points of view.

LOOK AROUND.

Opportunities can be spotted by anyone, anywhere, at anytime. So we always have our eyes, ears and minds wide open.

SPEAK UP.

Not everyone's stories have been told. So we use our voices to amplify those that haven't been heard.

STAND UP.

Debate and discussion make things better for us all. So we don't shy away from a challenge.

REACH OUT.

Diverse perspectives solve the hardest problems and make the best decisions. So we seek them out, and invite them in.

Our Resources

Storyhouse is a medium-sized charity with approximately 160 staff and a gross revenue of over £7 million per year. The charity is financially stable, with a number of steady revenue streams, including a 20-year lease and contract for services with the local authority (Cheshire West and Chester) and NPO funding from Arts Council England for 2023 to 2026. Revenue from commercial activities is also essential to the charity's financial stability, and over 57% of its revenue is earned.

Storyhouse runs two wholly owned commercial trading subsidiaries: Storyhouse Production Company Limited - creating and staging Storyhouse Originals theatre productions - and Storyhouse Catering Company Limited - providing a range of catering, retail, cinema, receiving theatre and commercial services.

Despite our financial stability, like all other charities our resources are being eroded by rising costs caused by inflation and higher energy prices, and as a result of the continued cost of living crisis, demand for free-to-access services (such as warm spaces) is increasing.

Our Building

The original parts of Storyhouse were constructed as an art deco Odeon cinema in 1936, and have been restored, extended and renovated into a library, two state of the art theatres, a cinema, restaurant, and two bars.

The larger theatre is an 800-seat proscenium arch stage. With state-of-the-art facilities, its auditorium spreads across three tiers: stalls, circle and gallery. This same theatre converts into a 500-seat thrust stage (with the audience wrapping around three sides of the stage). In this format, the auditorium spreads across two tiers, with intimate seating putting the audience right in amongst the action.

On top of the building sits the Garret Theatre and Bar. This 150-seat black-box theatre is a flexible, fully-equipped performance, rehearsal, or workshop space. It is designed to be full of work made by local creative companies, individuals, and community groups, as well as a space we hire to companies and individuals.

The 100-seat boutique cinema is designed to honour the original Odeon's history as a cinema in 1936. With red velvet, soft, sunken seating, it is a beautiful event space.

The library spreads right through the building, with a dedicated family-friendly area (with wet play, storytelling room, and arts and crafts) in The Den and extensive book-stocks covering the walls throughout Storyhouse offering opportunities for studying, learning, and research.

The Role

You will provide technical support and crewing during get-ins, fit-ups and get-outs, as required by the Technical Manager and other Senior Storyhouse technical staff.

You will operate and program lighting on ETC EOS range of consoles, operate a Yamaha digital sound desk and act as a sound and lighting assistant as required.

This is a perfect opportunity for an enthusiastic and energetic individual with experience in a similar environment, with a positive and constructive attitude as well as good interpersonal and strong team working skills.
